

Questionnaire for consultations with sanctions affected states

Please review the following questions and provide your views and comments to us, no later than November 20, 2018

1. How could the UN sanctions system be made more effective, clear, and transparent?
2. Are there specific actions by sanctions committee chairs and members that could assist your sanctions implementation efforts?
3. Are there specific actions by panels of experts and coordinators that could assist your sanctions implementation efforts?
4. How could panels of experts and their coordinators enhance their work?
5. How can the processes for listing, delisting, and exemptions be improved to make them more effective while protecting the due process rights of designated individuals, companies and entities?
6. Are descriptions of sanctions measures, notifications and implementation obligations adequately explained and communicated by the sanctions committees, and if not, what enhancements would you like to be made?
7. In what respect should UN sanctions better support the protection of the human rights of the general populations, as well as women, girls and children in conflict regions?
